More information and ordering available online at [www.angelfoodministries.com](http://www.angelfoodministries.com)

Angel Food Ministries is a non-profit, non-denominational organization dedicated to providing grocery relief and financial support to communities throughout the United States.

Angel Food provides a box full of fresh and frozen item that costs \$30 but would have an average retail value of about \$60.

Generally, a box of food assists in feeding a family of four for about one week or a single senior citizen for almost a month. The food is all the same high quality one could purchase at a grocery store.

Angel Food Ministries participates in the U.S. Food Stamp program, using the Off-Line Food Stamp Voucher system.
