

Service Statistics

Here are the numbers of people that House of Hope has helped during the economic downturn. In the years prior to 2008, the agency would typically help about half as many families a year.

House of Hope Programs Service statistics by calendar year	2011	2010	2009	2008
FOOD PANTRY				
Families served	4,573	3,893*	3,405*	3,137
